Savaria™ Multilift VPL

RELIABLE AND EASY ACCESS

Gain convenient, easy and reliable access with the Savaria Multilift, vertical platform lift. The Multilift easily accommodates a wheelchair with a capacity of up to 750 lbs. Built with durability in mind, the Multilift is up for the challenge of tough climate conditions. You can count on this lift for reliable performance and ease of operation. Ideal for home use and approved for certain commercial accessibility projects as well.
